OUTDOOR Team Building Activities

Take the world's 3rd largest sand island... Add a splash of sunshine, balmy sea breezes, crystal clear waters and pristine natural beauty, and you've got Tangalooma Island Resort. An island oasis, just a 75 minute boat cruise from Brisbane. Leave the mainland behind, switch to island-time and get ready for simple pleasures, whilst you compete against your teammates through unique Island challenges and celebrate your success over a couple of sunset drinks. It's very appealing!

SCAVENGER HUNT

 8 - 300  1-2 hrs

Our most popular event at Tangalooma! This activity encourages teams to work together by prioritising missions, problem-solving, being creative and exploring opportunities. Our app leads small teams to complete fun-filled

creative missions around the resort. This is not a foot-race, but a game built on strategy and creativity! The finale includes the hilarious video presentation of all submissions and a memorable winners announcement.

AMAZING RACE

 8 - 300  1-2 hrs

Inspired by the 'Amazing Race' TV show and classic Scavenger Hunts, this activity is the perfect mix of problem-solving, teamwork, leadership and creativity. Teams race around Tangalooma Island Resort, competing against each other in

a series of questions, creative photo and video tasks and physical challenges. It's fast-paced, and ends with a live-voting presentation before the winners are announced and crowned champions! Game On!

ISLAND SURVIVOR

 10 - 300  2-3 hrs

Your group will be split into an even number of tribes. If you love the TV Show 'Survivor' and want to maximise the time spent facing-off in head-to-head challenges - then this is for you! We will test the tribes in a series of physical, mental and puzzle-based

games. Each team is incentivised by "totems" and the strongest team rarely wins! This is a truly inclusive activity, with all the drama without the physical risk factor!

"AMAZING. So much fun. Well designed, interactive, great for all abilities. Highly Recommend."

BEACH OLYMPICS

 20 - 500  2-3 hrs

Team spirit, determination and teamwork are the keys to success in Beach Olympics! This adventure-style team building activity provokes competitiveness yet doesn't intimidate participants who may be lacking in

sporting or physical prowess. Beach Olympics creates a carnival atmosphere of music, games and energetic challenges, such as classic Sack Races, Ultimate Frisbee, Catapult Firing, Relay Races and many more.

"All activities were well thought out and engaging! Staff were encouraged to get out of their comfort zone and work together."

MINDFULNESS GAME

 8 - 300  1-2 hrs

The Mindfulness Game sends teams on a series of indoor and outdoor missions that will cultivate self-awareness and resilience. It's no longer just a buzzword – hundreds of companies have integrated meditation and awareness

training to improve productivity, reduce stress and help people operate better under pressure. Your team members will feel energised, more connected, and recharged. You'll learn the science, then put it into practice.

I highly recommend the Banana Life team. Professional, fun and diverse to suit any occasion and all ages. They ensured our team building experience was an amazing memorable day with loads of fun and we can't wait until next time!

"We booked the Amazing Race for our company Christmas Party and I'm so happy we did! Our team absolutely loved it. It was fun, exciting and really brought out everyone's competitiveness. Stacey was our host and she was amazing - super easy to talk to, explained everything thoroughly and made the overall experience really positive."

INDOOR & EVENING Team Building Activities

Boost your corporate dinner at Tangalooma by introducing creative installations and entertainment packs that will ensure all guests have a memorable evening. Our evening programs are all customised to ensure we meet your conference objectives and team building outcomes. Eat, laugh, play, interact and enjoy.

GAME SHOW

 20 - 300  2 hrs

This is Trivia but not as you know it. We weave elements from popular TV game shows such as The Price is Right, Jeopardy and Minute to Win It. Led by our professional MC and entertainer, your group will be in stitches as we

roll out challenges and trivia questions throughout your evening dinner. Prepare to be a little outrageous, competitive, and creative. Our tech-setup is next level, which separates this from your regular pub-trivia night...

MINUTE TO WIN IT

 20 - 100  1-2 hrs

This Minute To Win It activity will integrate easily into any event - dinner functions, corporate functions, or just drinks. Short 'playful' games are guaranteed to have your group in stitches.

We work with you to select the perfect blend of activities. Each element is designed for maximum participation, and all teams stay deeply engaged until the final scores are announced.

BIGGER THAN TRIVIA

 20 - 300  1-2 hrs

Answer obscure trivia, complete head-to-head challenges, and outwit your opposing teams to become the winning team! We are happy to work with you to come up with company-centric questions for game content.

These can be work-oriented (e.g. sales goals, new software quizzes, etc.) or more light-hearted (e.g. name someone on your team you'd likely see at a monster truck event).

Brighten up your bunch.
